Dear Lou,

My expenses on this trip were:

Mileage, 120 @ 8¢	$9.60
Airport Parking	8.75
All other	21.00
	38.35

I have a letter telling me that Steve Jaffees has typed up a long memo on his relationship with Lamarre, etc. I think I should have it, and soon.

Got home very tired and late. The plane was late and the road foggy. I worked at the airport and on the plane, so I do hope that, without undue interruptions, I will get the medical analysis done today. It will then require reading and typing.

Good luck,

Harold Weisberg
